THIS IS AN UNRESTORED ORIGINAL MATCHING NUMBERS, 1960 PORSCHE 356B CABRIOLET.

First delivered to California in 1960 where it has remained in this dry USA state. The climate assisted in preservation of original body panels which remarkably show no rust or major past restoration & makes for a great restoration project. The engine has recently been rebuilt & detailed to a high level. Engine starts & runs well although a thorough inspection is still required in our workshop.
