

## MERCEDES BENZ 250SE W111 COUPE

Date of manufacture: 1967

Exterior colour: White DB050 | Interior: Red Leather

EXCEPTIONAL WELL PRESERVED MERCEDES-BENZ 250SE W111 COUPE MANUFACTURED IN 1967. ORIGINAL DELIVERY TO MEXICO WITH DESIRABLE SPECIFICATIONS OF AIR CONDITIONING, POWER STEERING, MANUAL TRANSMISSION AND RESIDING IN DRY STATE OF ARIZONA USA SUBSEQUENTLY, WITH IMPORTATION TO UK BY ITS PREVIOUS OWNER.

The Mercedes Benz W111 Coupe was manufactured from 1961 to 1971 in several engine sizes starting with the 220SE, this 250SE & late production of the 280SE straight six engines, with the last engine addition from 1967 of the 3.5 Litre V8. This 1967 250SE production is one of the rarest in production being a two year production model.

Original delivery was in striking White exterior paint (lovely period cream) complemented by its original red Leather interior & mid-red plush carpet in well preserved & original condition.

The 250SE Coupe was purchased by Parry Chana for the current owner around six years ago who has now moved onto the V8 engined Coupe & has made extensive use of it, being reminiscent of a similar Mercedes-Benz owned by his father in his childhood.

The vehicle comes in a very solid condition & has had a re-paint at some time but shows a very solid undercarriage, which is often not seen in these models in the UK unless restored.

## MERCEDES BENZ 250SE W111 COUPE

Extensive mechanical work to brakes, cooling system, ignition & fuel system with regular maintenance has kept the Mercedes-Benz 250SE in a lovely & smooth driving condition with work carried out recently too by our in house team.

Lovely touch are the wind-down windows providing a pillarless clean appearance & complimented by a recent lovely restored Burr Walnut dash & panel work, adding to a superior finish & feel.

In my opinion "This well preserved & mechanically sorted car has resulted in a Mercedes-Benz 250SE Coupe W111 not only looks stunning but also delivers the best driving experience with ease of driving, making for light smooth power steering, manual gear shift and an extremely quiet drivetrain" This car comes highly recommended by Parry Chana at Lux Classics and invites any interested parties to view.

This 250SE W111 Coupe comes with a small history file, original handbook, new upgraded period looking Becker radio, original tool roll kit, jack & original rubber boot mat.
