Pulsar

Full European
Type Approval

All WildAx motorhomes are fully winterised. The living area is insulated with an advanced compound on all sides and the under-slung water tanks are insulated with the addition of low power heaters for very cold weather.

The WildAx Pulsar is an ingenious layout giving a full kitchen, full washroom and 4 travel seats, all in a 5m van. The travel seats easily slide into a double bed configuration giving a comfortable 4ft x 6ft 2in double bed.

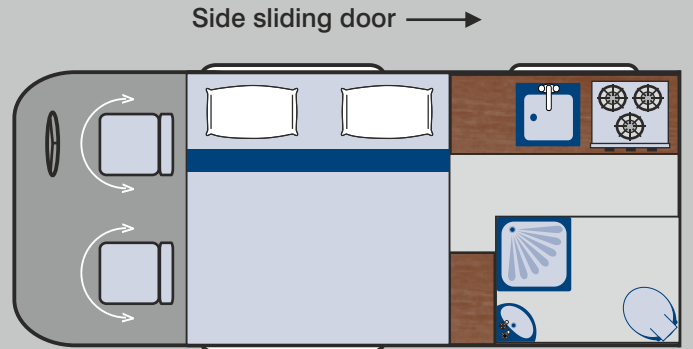

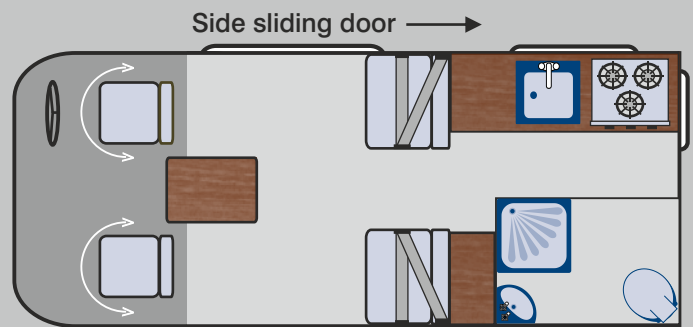

The Pulsar is designed to be a truly 'drive every day' motorhome giving the usefulness of a car with the full specification of a much larger motorhome.

■ **Base Vehicle**

- Citroen Relay Euro 6.2, 2.2 Hdi 140 BHP, 6 speed manual.
- Passenger Air Bag • Cruise Control • Air Conditioning
- Sat Nav • Rear parking sensors • Rear parking camera
- Alloy Wheels • Metallic Paint • Bluetooth • DAB touch screen stereo • Leather steering wheel/gear knob • LED DRL's

The Citroen Relay is a great quality vehicle giving more than enough power and very low emissions with the Euro 6 engine. Running costs are low with one of the best fuel economy figures on the market with figures reported in excess of 40 mpg by our customers.

Dimensions Length - 5.00m Width - 2.05m
Height - 2.75

Your van will be factory ordered to your specification which gives you the ability to choose the van colour and any options that you may wish to have on the base vehicle. At WildAx Motorhomes we are proud to say that we develop a close relationship with every customer. This is due to the detailed and regular communication we have from the moment of order to the day you take ownership of your new motorhome.

WildAx Motorhomes include everything we think you will need (and many items that others consider optional) in the basic price!

Price (ex-works) - £51,675.00
Does not include first registration fee and RFL
