# THE BMW 4 SERIES GRAN COUPÉ.

The dynamic character of the BMW 4 Series Gran Coupé is clear at first glance. The elegantly sweeping roof line and four frameless doors underscore the coupé aesthetic, while the Kidney grille and standard LED headlights demonstrate the vehicle’s athletic presence. The choice of SE, Sport or M Sport allows you to personalise your BMW 4 Series Gran Coupé in exactly the way you wish, with exterior and interior elements to complement the already extensive standard equipment.

To keep you connected with the outside world and enhance the functionality of your Ultimate Driving Machine; BMW Online Services , BMW Remote Services and Real Time Traffic Information are now standard. Furthermore, with BMW Professional Navigation System standard on M Sport models, and BMW Navigation System standard on SE and Sport, you can be fully informed and entertained from within the comfort of the BMW 4 Series Gran Coupé.

## BMW EFFICIENT DYNAMICS.
