Note 1: The Mass In Running Order (MIRO) is the weight of the motorhome equipped to the manufacturer's standard specification including essential habitational equipment.

Note 2: Maximum User Payload includes the Personal Effects payload, Conventional load and the Optional Equipment Payload.

Note 3: Maximum Technically Permissible Laden Mass (MTPLM) is the technical maximum permissible laden weight of the motorhome.

Note 4: Please take care to ensure that you have allowed for the masses of all items you intend to carry in the motorhome.

Note 5: All data is calculated using metric weights and measurements. The imperial figures quoted are conversions thereof. All dimensions have a tolerance of +/- 25mm.

Note 6: Your motorhome weights have been calculated with all water tanks empty and you are recommended to travel with all water tanks empty.

Note 7: WARNING : Under no circumstances should the plated MTPLM of the Motorhome be exceeded.

Note 8: Heights are measured on an unladen vehicle with the aerial in the lowest position.

Double 2000mm x 1260mm / 6'7" x 4'2"

Note 1: The Mass In Running Order (MIRO) is the weight of the motorhome equipped to the manufacturer's standard specification including essential habitational equipment.

Note 2: Maximum User Payload includes the Personal Effects payload, Conventional load and the Optional Equipment Payload.

Note 3: Maximum Technically Permissible Laden Mass (MTPLM) is the technical maximum permissible laden weight of the motorhome.

Note 4: Please take care to ensure that you have allowed for the masses of all items you intend to carry in the motorhome.

Note 5: All data is calculated using metric weights and measurements. The imperial figures quoted are conversions thereof. All dimensions have a tolerance of +/- 25mm.

Note 6: Your motorhome weights have been calculated with all water tanks empty and you are recommended to travel with all water tanks empty.

Note 7: WARNING : Under no circumstances should the plated MTPLM of the Motorhome be exceeded.

Note 8: Heights are measured on an unladen vehicle with the aerial in the lowest position.

Majestic Microwave

DAEMOD

The Majestic 254 255 275 285 offer a range luxury spacious and streamlined low profile models coming with class-leading specification.

Outstanding drive performance is provided by the powerful and exclusive Euro 6 160bhp Peugeot BlueHDi Boxer engine with AdBlue technology offering better fuel efficiency and reduced emissions.

All Majestic 254 255 275 285 models come with a MTPLM weight of 3500kg and can be driven by anyone in Ireland holding a full B category drivers licence.

Choose your Majestic and be assured of striking sophisticated style, unrivaled driving performance, class-leading craftsmanship as well as hi-tech innovation – all at **one affordable price.**

↔ Key Features & Benefits

Peugeot Boxer BlueHDi Euro 6 160bhp Engine with 6 speed gearbox & AdBlue technology

Ensuring an outstanding drive performance with better fuel efficiency and reduced emissions.

ABS brakes and Tyre pressure monitoring svstem

Travel with maximum peace of mind, knowing your Majestic features sophisticated control and information technologies.

NCC Approved & UK Specification

Your Majestic motorhome:

- Has been rigorously tested • Is safe & legal for use on UK roads
- Is certified safe
- Has met all NCC approval

Standards

Fully integrated touch screen console controlling DAB Radio/MP3 & sat nav with USB port & Bluetooth handsfree

Make your way to your holiday destination with ease and with the latest audio technology.

Exterior BBO & Shower points

Freshening up or washing off a muddy dog after a walk, grilling an al fresco dinner for the family couldn't be easier thanks to the functionality of the external BBQ and shower points.

Grade 3 Fully Insulated

Enjoy the perfect climate 365 days a year. All Majestic models have successfully achieved the Grade III classification for heating and thermal insulation.

TRACKER secure • inform • protect

Thatcham conversion alarm with GPS Tracker

Your new Majestic motorhome is secured with Thatcham conversion alarm and fitted with a GPS Tracker system for added protection.

Exclusive upholstery with Aquaclean,® Safefront® & Pet Friendly® technology

Simply wipes clean with water and will not snag, so completely pet friendly!

Rear view observation camera

Maintain your control and visibility. The in-built camera allows you to benefit from increased visibility behind your vehicle and reduce minor accidents.

Strong, Light & Dry Construction

The first and only fully bonded construction system for motorhomes offering integrity and rigidity, improved fuel consumption and waterproof joints with 95% fewer exterior screws.

Conditioning & Cruise control

Drive with ultimate comfort thanks to the inclusion of automatic cab air conditioning & climate control. Perfect for those longer summer journeys away.

Solar Panel

From a short break to a longer holiday, the fitted solar panel can ensure that your battery life lasts longer. Being self sufficient helps you take advantage of the freedom a motorhome brings.

The perfect climate... 365 days a year! NCC EN1645-1

⊕ Specification 254 255 275 285

DRIVE

- 160bhp Peugeot Boxer BlueHDi Euro 6 Turbo Diesel engine with daytime running lights
- Alloy wheels plus full spare wheel and tyre
- Cruise Control
- Fully adjustable and co-ordinated swivel Captains seats with armrests
- Fully adjustable and co-ordinated swivel Captains' seats with armrests
- Fully integrated touch screen console controlling DAB Radio/MP3 player and sat nav with Bluetooth handsfree, USB and steering mounted controls
- Automatic cab air conditioning
- TPMS Tyre Pressure Monitoring Sensor
- Thatcham conversion alarm
- Rear view observation camera
- GPS Tracker[®] system fitted
- Automatic lights and wipers
- Remote central locking to cab and habitation door via key fob (can operate the habitational door independently)
- Immobiliser with unique code
- Driver and Passenger airbags
- Onboard trip computer
- High level brake light
- Side marker lights
- Electrically heated adjustable wing mirrors with direction indicators
- ABS brakes with emergency braking assistance
- Power steering with adjustable steering wheel position
- Removable branded cab carpet
- Lockable, laptop size central storage box (cab)
- 12V DIN socket for 12V power supply from the cab
- Extra wide rear track, giving a sportier look and improved road handling
- Door pockets, bottle holders and map holder
- Additional high-level cab storage compartments
- Headlamp height adjustment
- Adjustable LED cab reading lights
- Silver dashboard kit

COMFORT

- Improved Alde 24-hr multi-programmable central and water heating system. Runs on gas, electric (up to 3.15KW) or both with easy-to-use LCD touchscreen control with night-time display setting.
- Spacious wardrobes with easy access and soft close hinges
- Beds measure up to 6'6" for greater comfort
- Omnivent rooflight
- Heki 2 rooflight over bed in Majestic 254, 255 & 285
- Aero Privacy flush-fit double-glazed side windows with night ventilation position, pleated blinds and flyscreens
- Cassette flyscreens and pleated blinds on all windows
- Pleated windscreen and side cab window blinds
- Fixed bed mattresses come with lightweight, but super supportive OZIO core and new soft-touch Argentum+ anti-bacterial and anti-allergy technology with Silver
- Truma Drivesafe regulator for en-route heating with connection hose for Propane

соок

- Aspire Mk 2 oven, grill and dual fuel hob with spark ignition and 800w electric hotplate, three gas burners with smoked glass lid, additional oven shelf and interior light.
- SmartEnergy fridge-freezer
- Microwave oven
- Black gloss enameled sink
 with removable drainer
- Polished chrome fittings and taps
- Well-lit kitchen work area

ENTERTAIN

- TV points with dedicated locations for comfortable viewing (230V, 12V and aerial connection)
- Teleco Teleplus X2/39U Directional Aerial
- Dining table with dedicated storage

PRACTICAL

- Aquaclean[®] and Safefront[®] technology fabric upholstery - simply wipes clean with water and will not snag, so completely pet friendly
- Solar panel
- Roll out awning
- Low level entrance step for easier access
- Alde fan assisted heating to cab
- 2 x Underfloor battery box each suitable for 1 battery (one Class A battery supplied as standard)
- Sky-view[®] opening cab sunroof with blind
- GRP underskin to motorhome floor providing a water resistant barrier
- Up to 6'6" internal headroom
- Improved comfort height adjustable seatbelts (please check if compatible with your baby seat/s)
- Height adjustable passenger seat headrests
- Rails for rear mounted cycle rack
- Conveniently placed 12V control panel, incorporating water pump, lighting circuits, fresh water tank level and waste warning indication when full
- Habitation entrance door, with window blind, flyscreen and waste bin
- Storage for 2 x gas bottles, with fitted Truma en-route gas regulator
- 20 Amp switchmode charger / transformer
- 25m mains hook-up cable
- Exterior mains electric inlet
- Smoke alarm
- Carbon Monoxide (CO₂) alarm
- Isolation taps for gas appliances
- Exterior BBQ point
- Exterior shower point
- Grade III Winter pack including: - Tank heaters
- Waste pipe insulation - Fridge vent covers

STYLE

- Aluminium cab with matching bumpers
- Exclusive Majestic graphics
- White one-piece GRP sides
- Sumptuous Aquaclean® with Safefront® and Pet Friendly® special edition upholstery in with OZIO Hi-Performance, lightweight construction, with 4 x co-ordinating scatter and 4 x armrest cushions as standard
- Craftsman built 'No-Rattle' cabinetry with Chrome trim detail and contrast detailing, with 24mm class-leading locker construction, removable shelves and positive locking with new-style handles

STRONG LIGHT & DRY

The most advanced technology used in motorhome engineering

backed b

water ingress

The first and only fully-bonded construction system for motorhomes. SoLiD Construction uses a chemical bonding process which is used in Formula 1, aircraft and marine construction.

THE ADVANTAGES OF Solid

STRONG – SoLiD Construction means Majestic motorhomes offer industry leading integrity and rigidity.

<	

LIGHT – Fully bonded construction enables lighter vehicles which improves fuel consumption.

DRY – Waterproof joints and 95% fewer exterior screws create an impenetrable water barrier

Grade III classification for heating and thermal insulation. This means that every model excels in any environment to deliver luxurious year round touring comfort.

Interior Design Technology

Majestic motorhomes come with special edition fabric upholstery benefiting from Aquaclean,® Pet Friendly® and Safefront® technology

 Simply wipes clean with water and will not snag, so completely pet friendly!

CLEAN, POWERFUL AND EFFICIENT DIESEL ENGINES

BlueHDi is the name given to Peugeot's latest generation of fuel and environmentally efficient Diesel engines.

Generated from a world-famous diesel heritage and innovative, automotive engineering excellence, BlueHDi complies with Euro 6 emission standards to deliver a driving experience rich in power and performance but with exceptional fuel economy and CO2 emissions.

BlueHDi engines meet Euro 6 standards thanks to Selective Catalytic Reduction (SCR) and Particle Filtration processes. BlueHDi delivers the cleanest diesel engine possible and exceptional fuel economy.

A three stage cleansing process specifically targets the pollutants of diesel combustion, removing hydrocarbons and carbon monoxide, reducing nitrogen oxides by up to 90% and eliminating 99.9% of particulates:

- **Stage One -** the oxidation catalytic converter eliminates the HC and the CO2, transforming them into water (H2O) and carbon dioxide (CO2)
- **Stage Two -** the SCR (Selective Catalytic Reduction) transforms the nitrogen oxides (NOx) into water and nitrogen (N2), which is the main constituent of air (78%), due to the addition of AdBlue® (mixture of urea and water)

Stage Three - the Particulate Emission Filter eliminates 99.9% of the particulates by number

🕀 Warranty

For your peace of mind

All Majestic motorhomes are covered by a two year manufacturer's warranty, ten year water ingress and body integrity warranty and Peugeot chassis warranty.

2 Year Explorer Group Manufacturers Warranty

The first year warranty covers all original components, including permanently fitted equipment forming part of the original product specification.

Warranty covers all original components, including permanently fitted equipment forming part of the original product specification, with the exception of the items listed in your warranty book.

10 Year Explorer Group Water Ingress & Body Integrity Warranty

All Elddis Majestic products are covered against water ingress damage for 10 years from the original date of purchase of a new product. This applies to water ingress through any permanently sealed seam joints.

In order to comply with the terms of the above cover certain conditions must be met as listed in your warranty book.

For full warranty details, please ask your Sales Executive

Peugeot Warranty

Peugeot provides a manufacturer's warranty for the base vehicle for a period of two years. For any issues with the base vehicle in the first two years, please contact your local peugeot dealer.

Your base vehicle warranty is subject to terms and conditions contained in the chassis manufacturer's service literature and handbooks supplied with your vehicle. Your vehicle must be serviced according to the chassis manufacturer's requirements.

This brochure is for guidance purposes only. Please be sure to check our full current and technical specifications with your retailer before placing your order. This brochure does not constitute an offer by Elddis or Marquis. It's the continual policy of Peugeot and Elddis to seek to improve their vehicles in every way and so whilst every effort has been made to ensure the details set out in this brochure were correct at the time of going to press, they are unable to accept responsibility for discrepancies between these and subsequent models shown. Elddis reserve the right to alter the specifications and price at any time without prior notice. Elddis design its Motorhomes to provide a variety of potential uses for its customers. Each vehicle features the optimum storage, fluid, seating and sleeping capabilities. While the customer enjoys this potential, they have the responsibility to select the proper combinations of loads without ander to have the responsibility to select the project specification. Please note that imperial conversions have been rounded to the nearest inch. Dimensions are based on vehicles with standard wheels. All weights and dimensions are subject to manufacturing tolerances and refer to standard wheels and on on include any options. Effective 1st November 2017. This literature supersedes all others. The peugeot website contains full information non all Peugeot products in Ireland. The site address is www.peugeot.ie
