

## NEW: Activa One 570 HS

In the new Activa One 570 HS, a classic rear seating group floor plan merges with the top cab series, reinforcing the traditional advantages of this room division concept even further with some new ideas. A separate 140-litre room-high refrigerator is positioned opposite the kitchen instead of a 105-litre model under the kitchen block. This not only creates more refrigerator volume, but also more storage space in the kitchen's base unit.

The floor plan develops its special appeal from the combination of handy dimensions on the one hand and high freedom of movement in the interior on the other. The space required for this is made possible by the new, only 114 cm long compact washroom with swivel wash basin. With 140 cm wide longitudinal seats, the comfortable rear seating group has particularly large storage space in the 37 cm high double floor. With the belt frame anchored in aluminium profiles on the inner walls, the large storage space under the benches remains unchanged even when the third and fourth belt slots are installed. Three large storage space flaps give passengers optimum access to their luggage from either side at all times.

### Technical data

Model	Duc.3,5 to
Engine, standard	2,3 ltr.
Power output,	96 kW / 130 HP
Engine, optional extra	2,3 ltr.r.
Power output, optional extra	109 kW / 150 HP, 130 kW / 180 HP

Tech. admissible gross laden weight	3500 / 4250 kg
Weight, ready for road	2800 kg
Gross weight limit	5500 / 6050 kg
Trailer load, braked	2000 / 1800 kg
Axle load limit, rear	2000 / 2400 kg
Overall length	5990
Overall width	2322
Overall height incl. skylight	3130
Internal width	2174
Standing height	1975
Double floor height	370
Wheelbase	3450
Tyres	215/70 R15C ( 225/75 R16C )
Seating unit, front	-
Seating unit bed conversion	2000 x 1400
Rear bed	-
Dimensions of drop-down bed	2000 x 1500
Front bed/lift-up bed	-
Extension to X beds	4
Occupant limit (with lap/shoulder seat belts)	4
Additional seats (X persons)	4
Wall thickness	30
Roof thickness	30
Floor thickness	38
Flap size (W x H), front right	850 x 1050
Flap size, standard (W x H), front left	850 x 1050
Flap size, optional (W x H) front left	-
Fresh water capacity	140 ltr.
Fresh water capacity when vehicle is driven	25 ltr.
Waste water tank	100 ltr.
Gas holder box	2 x 11 kg
Battery capacity	1 x 80 Ah Gel
Basic vehicle	Fiat
Special equipment	

### Equipment packages

Comfort Pack (Driver's cab air conditioning system, electric external mirrors, cruise control, "Captain's chair" seat with double arm rests and head rest for the driver and passenger, moniceiver with rear-view camera, DAB+, tyre air pressure sensors, carpet in the driver's cab) O
