## WITH THE SOVEREIGN COLLECTION

Grenzenlos wohlfühlen

Model shown with optional Salsa Glen furniture

Optimum sleeping comfort:  
5-zones cold foam mattress.

## NEXXO “SOVEREIGN”

There comes a time when you just have to turn your attention to something special, when you're compelled to set out on a journey of discovery and to challenge the rhythm of everyday life. There's never been a better time than now with the new Nexxo "Sovereign". The excellent driving performance will turn every kilometre into a majestic experience.

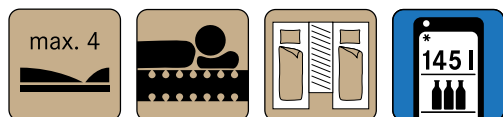

While the stylish design standards immediately impress on the outside, the Nexxo Sov-

ereign will also win you over on the inside with exceptional functionality and ergonomics.

Lean back and relax in the comfortable seating area. The side bench in the entry area and the pilot seats are integrated to create an inviting ambiance of spacious well-being. The many attractive and practical details are tailored precisely to you needs and wishes. The comfortable steps in the sleeping area make it easy to climb into bed. Thanks to Easy-Flex, you can adjust the headboard to

your desired position. Take advantage of the convenient spotlights for bedtime reading.

Thanks to its many extras, the new Bürstner Nexxo "Sovereign" will make your travels a sheer delight from the very first mile.

Nexxo t 740, Furniture decor: Ginger Teak

## SLEEP LIKE ROYALTY ALL NIGHT LONG

With optimised side access, it's easy to get into the inviting queen-sized bed which measures a full two metres. There's generous storage underneath for all those things you want to bring on holiday but don't necessarily need out all of the time. There's relaxation here wherever you look - with enough space to enjoy your holiday like royalty. Wake every morning refreshed and ready for another day of adventure.

1 The Flexo bathroom makes it possible to swivel the entire washbasin aside, creating a shower space with maximum elbow room.

2 The rounded overhead kitchen cabinets are extremely spacious on the inside – and never in the way on the outside. Even the bottom cabinets offer plenty of room. You'll feel just like you're at home thanks to metal tracks and soft-close drawers.

Ixeo time it 586, Furniture decor: Truffo Ros, Leather Ferra Arc

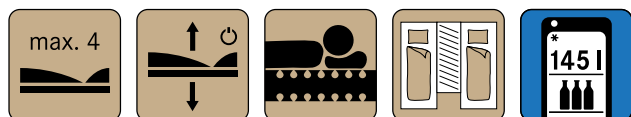

## IXEO TIME “SOVEREIGN”

With its compact dimensions, the Ixeo time “Sovereign” proves that sovereignty has nothing to do with size. The combination of a clear exterior design, upscale interior furnishings featuring leather and plenty of functional innovations are sure to impress. The easy-to-use childproof fold-down bed above the

seating area is just one example. The ceiling lowers down electronically (to the level of the seats in the it 586) revealing two full-size berths – with guaranteed easy access.

The ample interior headroom is also impressive. From the moment you get in, you’ll

notice the Ixeo time is far more spacious than you might suspect from its compact exterior dimensions. Whether you’re traveling as a couple, as a family or with friends, in the Ixeo time “Sovereign” you’ll experience premium quality and enjoyment at an attractive price.

Ixeo time it 726 G, Furniture decor: Truffo Ros, Leather Ferra Arc (L-seating group optional)

## UNLIMITED SENSE OF COMFORT INCLUDED

It's comfort that really matters when you're together and even a large group will find everyone's content in the Ixeo Time Sovereign. The combination of a seating area, side bench, and rotating driver and passenger seats creates plenty of room. Large windows complete the sense of open space and harmony.

- 1 The kitchen combines sleek elegance with pure ergonomics. All of your kitchen utensils will be conveniently within reach in the spacious drawers. The 145-litre fridge has room for everything you need (it 726 G).
- 2 The 3-burner gas hob with electric ignition comes with a glass cover to expand the work surface.
- 3 The Flexo Bathroom makes it possible to swivel the entire washbasin area to the side, to create room for extensive showering pleasure.
- 4 Use the steps to easily access your choice of the beds, measuring up to 2 m long.

#### Premium XL cabin door

The XL inset entry is now even more convenient. With a 2-point locking mechanism and integrated waste bin.

#### Cockpit with a leather look

Leather steering wheel and leather gearstick knob, dashboard trim with aluminium applications.

#### A navigational guide

The Pioneer navigational device shows you where to go. In addition to navigation and a connection to the reverse driving camera, one of the many other features includes the option to enter the vehicle profile for optimal route planning.

#### LED daytime running lights

The desirable daytime running lights impress with their brightness and low energy consumption.

#### Cruise control

The cruise control makes abiding by the speed limit easy and effortless.

#### Driver and passenger airbags

In case of an emergency, driver and passenger airbags come as standard in all models.

#### 16" alloy rims

The alloy rims cut down on weight and are sporty.

#### Fridge with freezer

145-l capacity to make sure you always have your favourite specialities on board.
