

benimar

New Zealand's best value motorhomes have arrived

Perfect for your next New Zealand adventure, Benimar offers a fresh alternative to motorhomes with the Mileo range.

With innovative design features and a range of floor plans to choose from the Benimar range ticks all the boxes of a premium motorhome at a price range that will put a smile on your face.

Keeping you (and others) safe

All models are specified with driver and passenger airbags, cruise control, ABS braking, electronic stability, automatic lights and wipers, cab air-conditioning and reversing camera as standard.

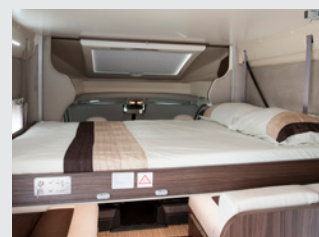

Fiat chassis 2.3L 150bhp 6-speed automatic Euro 5+ engine

Cab air-conditioning

Reversing camera

Drop down beds
(on selected models)

What's under the bonnet?

Based on the all new Fiat Euro 5+ chassis with a 150bhp engine and six speed automatic gearbox, the Benimar Mileo models offer responsive performance and solid fuel efficiency.

Electronic stability control

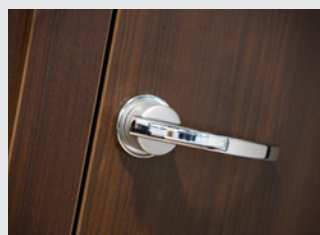

LED awning light

Rear corner steadies

Passenger & driver airbags

Brushed aluminium and chrome effect handle

Cruise control

Smoke & carbon monoxide alarms

Habitation door on passenger side for improved safety

Ready for your next adventure

The Mileo range is designed to make getting out on the road easier and more enjoyable. Features include an integrated reversing camera and 140w roof fitted solar panel. Plus with a 127 litre fresh water tank, you won't go thirsty any time soon either.

An innovative approach to construction

Using modern technology the construction is devised using expanded PVC profiles, with high density Grade III insulation which is thermally effective. This build process virtually eliminates the use of wood and means lighter weights and greater payloads.

All the comforts you've come to expect

The Eben furniture with 3D effect and two-tone elements creates a comfortable atmosphere, complimented by sumptuous fabrics and furnishings. Low energy LED lighting and Truma 6kw heating create a relaxing touring vehicle.
