# Why choose Adria?

There are, of course, many brands to choose from, but the reasons for choosing Adria have never been so compelling.

## **PASSION & EXPERIENCE**

Adria has been designing and manufacturing caravans for over fifty years.

## **INTELLIGENT DESIGN**

Adria leads in intelligent design, which optimizes the use of technology, the best construction methods and materials.

## **WORLD-CLASS MANUFACTURING**

The most advanced production facilities in the industry, ISO 9001, 14001 & EFQM 5 star certified for business excellence, quality management & environmental standards.

## **QUALITY**

Adria camper van conversions have a reputation for quality, reliability and durability using proven automotive manufacturing techniques. We make most of our own furniture and quality control the entire vehicle manufacturing and testing process.

## **PEACE OF MIND**

All Adria campervans come with a class-leading warranty and the support of our dealers in Great Britain and over 500 Adria dealers across Europe and beyond, backed up by a world-class parts supply and aftersales service.

Adria's 'Thermo-build' standards, with the best insulation materials, sophisticated air flow management and heating. Vehicles tested in our own climatic chamber.

## 6. AIRFLOW

Adria's sophisticated Air Flow System means every vehicle has integrated air-flow and ventilation designed in.

## 7. WINDOWS & DOORS

New framed windows and Adria exclusive new Sky-roof windows on Twin Supreme models. All windows and doors are integrated for optimum lighting, ventilation, privacy and security.

## 8. FURNITURE & STORAGE

Craftsman built cabinetry integrated with heating and air flow for optimum thermal efficiency. Plenty of flexible storage in every vehicle too.

## 9. COMFORT

The combination of contemporary interior design, optimized space, functionality and ergonomically designed living spaces, with new-design lighting.

## 10. CUSTOMER SERVICE

Class-leading 2 Year General Warranty and 10 Year Water Ingress Warranty\* as standard, the support of Adria dealers and an efficient after sales and parts service. \*Terms & Conditions apply, see website for details.

# CLIMATE CONTROL

Adria Twins can be used all year round and offer Truma heating, combined with Adria 'Thermo-build' standards of insulation and air-flow management for perfect comfort.

Tested to extremes. All vehicles are tested in our own climate chamber, from -40 to +60 degrees and in humidity from 45 % to 80 % between +30 and +60 degrees.

**INSULATION.** All Adria campervans are built to our 'Thermo-build' standards with advanced insulation materials, heating design and air-flow with no 'cold spots' and a pleasant controllable comfort, all year round.

**AIR-FLOW MANAGEMENT.** Adria's integrated Air-Flow System for ventilation and the optimum circulation of air, cooling and heating.

**AIR-CONDITIONING.** Adria Twins can also be ordered with factory or dealer fit air-conditioning options.

**HEATING.** Optimized heating efficiency with precise engineering and cold-chamber testing ensuring all season use. Truma heating, Webasto on SGX model.

# VEHICLES

Perfectly integrated. Designed and engineered to integrate with the base vehicle and driving is a pleasure, with the latest Euro6.d engines and advanced driver aids.
